EPM01

Features

"D" shape earphone/in-line microphone PTT
(press to talk)

One of our most popular accessories by far.

Soft rubber "D" shape earphone with a robust in line microphone with strong metal clip which rotates 360 degrees allowing easy attachment to clothing.

The "D" type earpiece sits over the ear making it an ideal alternative to in-ear accessories that some people may find uncomfortable.

The accessory is easy to clean thus making it ideal for multiple users.

Kevlar lined for added strength and longevity.

Robust, reliable and excellent quality
