Features

Very Popular boom-microphone headset employing our comfortable soft rubber "D" earphone.

Boom microphone is adjustable vertically and the press to talk clips firmly to the lapel collar with the robust clothing clip.

The accessory is an easy to clean, reliable lightweight headset.

Ideal for use with all helmets (go karts, motorbikes etc) when used with the additional extra remote PTT that allows easy attachment to handle bars or similar connection points.

Kevlar lined for added strength and longevity
